

## Colour Dance Observations

### 1. My Prediction

What will happen when I put detergent in the milk?

- The colours will move
- The colours will mix
- Nothing will happen...

### 2. Materials I Used

Which materials did you use in the experiment?

- Milk
- Food colouring
- Dish soap
- Toothpick

### 3. What I Did

Which actions did you do? Order the sentences, 1 to 4.

- Observed the colours.
- Dipped the stick with dish soap.
- Dropped the colours
- Told my group what I saw.

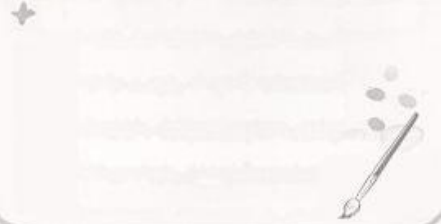

### 4. What I Observed

What happened in your experiment?

- Colours moved
- Colours mixed
- New colours appeared

### 5. My Illustration

### 5. Favourite Part

Which part did you enjoy most?

- Dropping the colours
- Watching new colours appear
- Mixing with detergent
- Working with my group
